

WEDDINGS AT HAMSTEAD ACRES CLASSIC, YET SOPHISTICATED BEAUTY...If you're looking for a wedding ceremony and reception venue with a natural, yet chic beauty that allows you to add your own special touch, then Hamstead Acres provides the perfect backdrop for you. Nestled between Goldsboro and Snow Hill in Eastern North Carolina, our venues are a short drive from Kinston, Greenville, LaGrange, Smithfield, Wilson, and more. Our outdoor venues are surrounded by unspoiled acres of natural farmland, while our indoor venue heralds a simpler time with its pine walls and limited decor. We'll not only provide the perfect place for your big day, we'll help make it uniquely yours with our event planning services, and musical entertainment for hire. Our planning team will be available to assist in any capacity needed-- from locating vendors within your budget to just providing a little inspiration for your ceremony and reception. Follow the links provided below to peruse the grounds, and learn more about us. Pictures just aren't enough? Schedule a Tour with us today.
